### Captain's Footnotes by Phyllis Ellermeier

The Captain's corner is a feature of our monthly newsletter which provides information about specific RLGA activities, insights about golf, and encouragements to all of you to participate in all RLGA offers. However, this month's article is dedicated to acknowledging and recognizing a very special RLGA member.

Ok Yun Lim's adventure into golf started with a heart attack, cardiac arrest and major surgery in 1995. Ok's doctors encouraged her to take up exercise to regain strength and sustain her health. Motivated and grateful for her new lease on life, she tried swimming and hated it. She liked just plain walking even less. Her husband encouraged her to add a set of golf clubs to those walks and Ok became a golfer. In 1996 she came to Riverbend to play on RLGA Wednesdays. No matter what the weather, Ok played. Other RLGA members eventually recognized her sincere work ethic and gifted play and soon she was playing team for Riverbend. Ok has been a focused, tough and consistent competitor ever since. Current RLGA members who play with her agree it is her practiced consistency and solid physical skills which turn even her rare poor shots into positive scoring opportunities. Ok has progressively expanded her level of competitive play. Besides playing for Riverbend and RLGA in city and state events, she enters other regional and senior women's events.

In June, Ok represented Washington in the Korean-American Olympics held in San Francisco. In July she entered a qualifier for the USGA Senior Women's Amateur in Eugene. Ok is RLGA's current leader in the birdies race. She still plays most Wednesdays with us and she is still constantly at work to improve her game.

Ok Yun Lim has overcome a life threatening condition by using her love of golf to become an active, healthy and inspiring contributor to RLGA. I am proud to say Ok inspires me.

See you on  
 the course. OF COURSE! Phyllis

Hi Ladies, This is the introduction of a local rules sheet for our organization. Please look it over. We will have copies available at the Club Championship also.

Thanks, Anne

#### **Riverbend Ladies Golf Association Local Rules and Conditions of Competition (2007)**

The Rules of the United States Golf Association govern play. See applicable tournament entry form and Notice to Competitors/Players for additional Local Rules and Conditions. Complete text of rules and Appendix I may be found in the current Rules of Golf. Unless otherwise indicated, the penalty for breach of a Local Rule or Condition is: Match Play - Loss of Hole; Stroke Play - Two Strokes

**OUT OF BOUNDS** - Is defined by inside points of white stakes or fence posts at ground level. When out of bounds is defined by a white line on the ground, the line itself is out of bounds. Holes: 4, 5, 6, 10 marked by the inside edge of the river trail asphalt; holes 7, 13, 15 marked by the boundary fence line. Hole #9 by white stakes left side and white lines behind green.

**WATER HAZARDS AND LATERAL WATER HAZARDS** Water Hazards are defined by yellow lines and/or yellow stakes. Rules 26-1. Lateral Water Hazards are defined by red lines and/or red stakes Rule 26-1. When both stakes and lines are used to define water and lateral water hazards, stakes identify hazards and lines define hazard margins.

**GROUND UNDER REPAIR** - (a) Areas enclosed by white lines. (b) French drains, which are open trenches filled with rocks or stones. (c) Sod seams for lie of the ball only. Rule 25-1.

**INTEGRAL PARTS OF THE COURSE** - Include liners in hazards and artificial walls and plings when located in hazards, unless otherwise provided for in Notice to Competitors/Players.

**EMBEDDED BALL** - Relief under Rule 25-2 is expanded to "through the green" as prescribed in Appendix I. Through the green, a ball that is embedded in its own pitch-mark in the ground, other than sand, may be lifted without penalty, cleaned and dropped as near as possible to where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green. Exception: A player may not take relief under this Local Rule if it is clearly unreasonable for him to play a stroke because of interference by anything other than the condition covered by this Local Rule. **PENALTY FOR BREACH** - Match Play - Loss of Hole; Stroke Play - Two Strokes.

**TURF PLUGS ON PUTTING GREENS** - are deemed to have the same status as old hole plugs and may be repaired as prescribed in Rule 16-1c.

**OBSTRUCTIONS** - White lined area tying into artificially surfaced roads and paths are deemed to have the same status of those roads and paths, that of obstructions. Stakes and/or rope attached to trees, when interfering with the lie of the ball, stance and /or area of intended swing, are to be treated as immovable obstructions. Hole #13 Bunkers - Stones in bunkers are movable obstructions. Bushes marking 150 yds, are not treated as immovable obstructions. Rule 24

**TEMPORARY IMMOVEABLE OBSTRUCTIONS** - Local Rule as prescribed in Appendix I is in effect.

**TIME OF STARTING** (Note to Rule 6-3a) - If the player arrives at his starting point, ready to play, more than five minutes after his starting time, in the absence of circumstances which warrant waiving the penalty of disqualification as provided in Rule 33-7, the penalty for failure to start on time is loss of the first hole to be played in match play or two strokes in stroke play. The penalty for lateness beyond five minutes is disqualification.

**DOUBT AS TO PROCEDURE** - If you are in doubt as to how to proceed or your rights, you may play a Second Ball under Rule 3-3. You must announce in advance your intention to play a "Second Ball" and which ball you want to score if the Rules allow. You must also report to the committee (before turning in your scorecard) that you played a Second Ball, regardless of the score from each ball.

**AUTOMOTIVE TRANSPORTATION** - Is permitted by the Committee in a competition, an automotive cart employed by a player becomes part of the player's equipment. A player employs a cart when it is utilized by the player, his caddie, or his other equipment. See definition of equipment.

**Note 1:** A player may employ a cart at any time during the round. If employed

between the play of two holes, the cart is deemed to be the equipment of the player for the duration of the subsequent hole. If such employment commences during the play of a hole, the cart is deemed to be the equipment of the player for the duration of the hole. Outside agencies may ride in a player's cart, at which point they become part of the player's equipment. As such, if the player's ball strikes anything or anyone in the player's cart, the player incurs a penalty of loss of hole in match play and two strokes in stroke play in accordance with Rule 19-2.

**Note 2:** A player or players employing a cart may appoint an outside agency to drive the cart, at which point the driver is deemed to be the caddie of the player (s). Only the player(s) or caddie(s) may drive the cart. **Players employing carts are reminded of the conditions governing caddies and advice.**

**PRACTICE** - A player may not play or practice on the competition course prior to play on any day of a competition. A player may practice on the designated practice areas and a player may practice on the competition course after completion of his stipulated round for the day or between stipulated rounds in competitions held over two or more consecutive days. Breach of Rule is disqualification. Match play see Rule 7-1a, practice on day of round.

**PACE OF PLAY** - Riverbend Ladies Golf Association pace of play guidelines are in effect for all competitions. It is each player's responsibility to see that their group stays up with the group in front of them.

**HANDICAP VERIFICATION** - Competitors are responsible to verify that their handicap, as listed on scorecard, is correct. Signing for a higher handicap will lead to a disqualification in the NET competition.

**SUSPENSION OF PLAY DUE TO A DANGEROUS SITUATION** (Note to Rule 6-8b) When play is suspended by the Committee for a dangerous situation, if the players in a match or group are between the play of two holes, they must not resume play until the Committee has ordered a resumption of play. If they are in the process of playing a hole they must discontinue play **immediately** (no further strokes) and must not resume play until the Committee has ordered a resumption of play. If a player fails to discontinue play immediately, he is disqualified unless circumstances warrant waiving the penalty as provided in Rule 33-7. All practice areas are closed during the suspension of play due to the dangerous situation, **except** the driving range, until the Committee has declared them open. A player using such practice areas will be subject to a penalty of disqualification. **Note:** A suspension of play due to a dangerous situation will be signaled by one prolonged air horn blast. All other types of suspension will be signaled by three short air horn blasts, repeated. For all other types of suspensions proceed as prescribed in Rule 6-8. Resumption of play will be signaled by two short air horn blasts, repeated.

**DISTANCE MEASURING DEVICES** - For all competitions a player **may** obtain distance information using a device that gauges or measures distance only. Use of a device that can measure other information such as wind, elevation, temperature is a breach of Rule 14-3 for which the penalty is disqualification.

**CLOSE OF COMPETITION** - The competition is deemed to be closed when all scores have been posted and the Committee has approved the results.

**COMMITTEE:** Disputes, claims or matters submitted to the Committee are to be resolved by the Committee. Committee decisions are final.

**46th USGA Senior Women's Amateur Sectional Qualifier Eugene CC July 23rd. Ok Yun Lim unsuccessfully attempted to qualify for the USGA Senior Womens Amateur National Championship to be held at Sunriver, Oregon Sept 1-6. "Putting", Ok said, "was her downfall. Triple cut greens made the putting a huge challenge". Twelve players advanced to the championship from Eugene. There were 21 qualifying events held throughout the US, with 145 women qualifying with scores ranging from 72 to 89.**

From Betty McCarter RLGA Rally Chairman

It is almost time for Rally for the Cure. This year, the tournament is a little different. We learned that very little of the money we raise actually goes to a cure for breast cancer or cancer period. By holding our own fundraiser without using Rally for the Cure, over 85% of what we raise actually goes to cancer research. We hope you won't miss the LPGA magazine or other trinkets. The scramble will still be a ton of fun. We will have mulligans and raffles and prizes for everyone.

We still depend on members and participants to donate prizes. If you or anyone you know is willing to donate something, please let me know so that I can arrange to pick it up. I will ask the pro-shop to hold items for us. Just let me know if anything gets dropped off there.

The entry form can be found in the on the RLGA website. Thanks for your participation and support. Betty.
